NSHTF Relationship Map

Task Force Member Roles

Social service, health, faith-based, and other community-based Task Force members:
Most members of the Task Force, outside of municipal staff and representatives from First Nations have similar roles that include:

- Bringing their unique perspectives to the NSHTF
- Advocating to local (and other levels of) government
- Liaising as appropriate with their networks
- Strategically using their areas of influence to achieve NSHTF goals

First Nation Representatives

ROLE:

- Share perspectives and priorities from Nations as appropriate
- Identify ways that the NSHTF can support their community members on issues around homelessness

REPRESENTATIVES:

First Nations:
- Squamish
- Tsleil-Waututh

All Task Force members: actively engage in the NSHTF Community Action Strategy and proactively take on pieces of work based on its goals and complementary operational plan.

These roles are meant to offer guidance to the diverse members of the NSHTF to complement one another
and to be the most effective as a collective. Further, this is a living tool that can be updated and adapted
frequently to continuously meet the needs of the NSHTF.
